Immerse yourself in a wealth of knowledge, get inspired with the latest bridal couture & savor delicious treats while fresh ideas will help you imagine your special day.

Art of the Table: The Mezzanine will feature four tablescapes, each design based on the theme "Tour of Elegance". Tablescapes are designed by Barclay Event Rentals & Uncommon Invites.

I DON'T NEED VIDEO?

"I thought we did not need to hire Hybrid Moon but my mom insisted that we should, so we did. It was not until after the wedding we realized how many things we missed and the day went by in a blur. Our Wedding Video is our most treasured investment from the wedding."
