Photography & Video Productions

About Aden Photography and Video Productions

Packages or ala carte plans are designed to suit weddings of all sizes. Wedding packages from two hours to unlimited time, as needed. Brochures listing services and prices can be sent to you upon request. Call for an appointment to see samples of photography and video.

“Sensitive, Creative and Experienced Photography and Video”

It's your special wedding day, a day to be remembered for the rest of your life. Through the years, your memories will become even more special, as will your wedding photographs and video. Your choice of a photographer is an important one. Keith Aden has been specializing in wedding and commercial advertising photography, including video production. His years of experience and knowledge of the very special art of wedding photography and video makes him sensitive to your needs and requests. Keith is a photographer who actually cares about you and your wedding.

Someone Who Cares About You and Your Wedding

You are not just another customer to Keith. Bridal couples and their families appreciate both his sensitivity to their “wants and needs” and his professional and unobtrusive style.
