Where Exceptional Gatherings Are a Natural

Nestled on the scenic shores of Hood Canal, Alderbrook Resort & Spa is two hours from Portland or Seattle. Yet it's a world away from the everyday. Established in 1913 and reinvented in 2004, Alderbrook is a breath of fresh air for meetings, retreats, social gatherings and special events. A place where groups from 8 to 250 come together to learn. Play. Share ideas. See things in a new light. Celebrate in one of the most scenic wilderness areas on earth.

Our incredible outdoor venues or our private yacht Lady Alderbrook are ideal for entertaining in the natural beauty of Hood Canal. The extraordinary views of mountains, trees, and gardens throughout the resort set the stage for a relaxing getaway. Numerous recreational opportunities for making your stay a complete event are offered, including golf, kayaking, swimming, hiking, and pampering services at The Spa.

Types of Events: We can accommodate all types of meetings, conferences, team building, conventions, and social events.

Capacity: Ten meeting rooms from 520 to 2,250 square feet; we offer over 7,000 square feet of flexible banquet and meeting space with additional outdoor venues for up to 250 and our Lady Alderbrook.
