### About All Wright Music

From the first song to the last dance, All Wright Music will transform your wedding into an event your friends and family will still be talking about years from now. We truly enjoy working on wedding receptions because they are a complete celebration.

AWM DJs are experts experienced at reading crowds to determine the flow of the event in both timing and music flow. During our years of providing creative DJ service, we have worked on every level of wedding from beach casual to the most formal of affairs.

All Wright Music DJs have helped create lifetime memories of joy, excitement, elegance and fun. We look forward to making your event memorable.

You will remember your wedding day forever! Make your world a little more wonderful with quality entertainment from All Wright Music!
