## About Anderson Lodge

Nestled just north of Portland, in the heart of a luxurious forest is a charming Swedish lodge offering a perfect site for an indoor or outdoor celebration. The usual concept of a wedding and reception is limited to an afternoon. However, weddings at Anderson Lodge take place over one day or several days. Anderson Lodge provides the luxury of lodging and a ceremony/reception site all in one, operating year-round.

## So Much To Offer

Our wedding couples have exclusive use of our facility. We have two locations for your event. The Hilltop House is most known for its spectacular view and the Main Lodge is impressive with a natural setting amidst the tall trees and lush forest foliage. Both our facilities have a conference room, reception pavilion and lodging included in the package price. Guests love our outdoor dining in the trees. Our catering staff provides beautiful event buffets, barbecues and brunches to make your event a success. Our quaint Swedish cottages are perfect for the happy couple. You owe it to yourself to make your wedding a truly memorable occasion. Call for an appointment today to begin planning your special day at Anderson Lodge.

**Bravo! Member Since 1999**
