About Anna's Bridal Boutique

We are a full-service bridal boutique and feature elegant designer dresses and accessories. Our showroom is full of gorgeous gowns to accommodate any price range, style, body type, and color preference. Our goal is to assist you in finding your dream dress and making your experience as enjoyable as possible.

Wedding Party Attire, Accessories, and More

Anna's Bridal also offers a large selection of samples for the entire wedding party, including bridesmaids, flower girls, junior bridesmaids and mothers. In our showroom we showcase exquisite headpieces, tiaras, hairpins, veils, shoes and undergarments. Some of our headpieces feature real pearls and crystals which the bride can have made into a necklace after the wedding. Also available are gown preservation, expert in-house alterations, and of course, you will always be treated with impeccable customer care.

Our happy brides have been showcased on TLC's *A Wedding Story* and *Martha Stewart Weddings* and several of our sample gowns have been featured in *Portland Bride and Groom* and *Oregon Bride Magazine*.

After thirteen years in business, Anna's has continually won awards for being the finest bridal shop in Portland as well as carrying the best accessories and flower girl dresses.
