Let's get this party started!

Bash! Events NW is a fresh and hip event planning boutique, specializing in Weddings, Corporate Events, Birthday's, Fashion Shows and Photo Shoots. We offer Full-Service Event Planning, as well as Day of Coordination. For a free consultation, call us today!

Full Service begins with brainstorming original ideas that are a reflection of You! Along with design and theme selection we also suggest appropriate vendors, assist with special projects, create a budget and a personalized timeline... all while keeping you focused and organized! We can answer your questions and start planning today! Send us an email!

We also offer Day of Coordination which is an invaluable service if you are planning an event. You have worked so hard on the details; make sure they are executed properly! We will act as your liaison between your vendors and important family members, so that you can enjoy your day stress free! To see what's new, check out our blog and find us on Facebook!

With over 10 years of experience, your next event is guaranteed to be a Bash!
