Celebrate Your Special Occasion Nestled In the Beauty of the Vineyard.

BeckenRidge Vineyard was specifically designed for weddings, receptions and special occasions. The beautiful and private setting of the vineyard together with the friendly staff offers a warm, welcoming atmosphere for you and your guests. The panoramic view of the Willamette Valley and the Cascades provide the perfect backdrop for your special day all year round.

In the spring, summer or fall, BeckenRidge harmoniously combines the outdoor ceremony with the indoor reception. Choose the lawn or the covered patio for your ceremony – both have a commanding view of the vineyard and beyond. In the winter, choose the fireplace or the window-view to stage your indoor ceremony.

The reception hall is marked by simple elegance in décor, comfort and convenience. The main room has hardwood floors perfect for dancing, a large stone fireplace, and abundant windows to take in the view. This air conditioned building includes kitchen, bar, spacious restrooms, and a private dressing room for the bride. A separate dressing & game room is available for the groom.

Our friendly and knowledgeable staff will help you plan your setup and arrange our furniture according to your wishes, transforming BeckenRidge to be uniquely yours.
