The Perfect Fusion of Vintage Charm and Modern Elegance

Bella Via is a new boutique event venue located in Historic Old Town Sherwood, just a short drive from Downtown Portland. Full of unique details both inside and out, Bella Via is the perfect backdrop for your special day.

Gorgeous chandeliers create a romantic glow as you step into the venue and onto the Ballroom floor. This beautiful room is highlighted by amazing, handcrafted stained-glass windows, dance floor and spindle staircase that leads to the Upper Level Bar. The bar features original fir floors, built-in bar, bench seating and amazing lighting making this space the perfect area for guests to mingle and enjoy a birds-eye view of the Ballroom below. Tucked behind the bar are the beautiful and well-appointed Bridal Suite and private Bridal Bathroom. The Bridal Suite and a private Groom's Room were created to lend both comfort and privacy to the wedding party.

Boutique in size with an intimate feel, Bella Via only books one event per day. Open year-round for indoor events we also offer an Outdoor Patio that is perfect for outdoor ceremonies, additional reception seating or cocktail hour during warmer months. Please visit our website for more information or to schedule a private tour.
