

Blush Furniture A West Coast Drape Brand

We are proud to introduce Blush Furniture as part of the West Coast Drape brand. Our newest addition to the furniture collection, the Soho Line, combines various chic furniture pieces including sofas, ottomans, bistro tables, end tables, bars, stools, and more. With the different style combinations, there are endless design options and configurations to enhance any event. From a small casual celebration to the most elaborate reception, our pieces add a unique look and lasting impression. These trend-setting styles create a striking, unforgettable atmosphere.

Beyond the aesthetic appeal, our furniture also features durable, first quality construction with vinyl and leather coverings, ideal for any wedding or event. Each piece is carefully inspected, professionally cleaned and wrapped for storage to ensure complete customer satisfaction.

We would love the opportunity to help you decide which pieces would be the best fit for you. Please call us today for pricing and availability.
