

Natural Beauty in Its Most Spectacular Form

Nestled in the heart of the historic Columbia River Gorge, just 30 minutes east of Portland, natural beauty is in its most spectacular form at Bridal Veil Lakes.

Beautiful wildflowers and lush forest are the perfect backdrop for your lakeside wedding. The view of the Columbia River Gorge and the serene lakeside setting add just the hint of romance that will make your wedding memories last a lifetime.

The photo opportunities are endless! Bridal Veil Lakes is protected from the Columbia Gorge east wind and our lakeside Pavilion is wonderful for weather protection.
