Anyone can play music, we entertain!

## The NW #1 DJ/Entertainment and Video Service

Known as "The most sought after wedding DJ in the NW" Frank Bratcher, founder of Bust - A - Move DJ Services, has many years of experience in the Entertainment Industry. In the early 80's he was the front man and lead vocalist for a touring rock group that appeared with KISS, Fog Hat, the Scorpions, Quiet Riot, Head East, and too many others to list. Putting on a first rate performance is all he ever strives for, and expects out of his crew of DJs.

*"I don't care about being the biggest DJ company in Oregon, I just expect us to be the best. Whether it's a bride & groom, school function, or a business party, they all spend a lot of money to make their event special and fun, and we're gonna give them more than their money's worth."*

– Frank Bratcher

*"I cannot express how grateful we are to you. You made our wedding day the exact way we were hoping for. We had an incredible time. I will recommend you to every single person we know needing your services. You were fabulous! Thank you!"*

– Anthony & Nikki Kurtz
