About Busy Bee Catering

Busy Bee Catering is located in beautiful Welches Oregon, at the foothills of Mt. Hood. We provide service to many special local venues as well as service to the Metro Area, Hood River, Central Oregon and the Willamette Valley. We love the beauty and bounty that Oregon has to offer and like to showcase these aspects in the way we present our foods. We are available to provide a full array of services ranging from event planning and vendor coordination to delivery, set up or even drop off.

We have been busy catering weddings, corporate events, family picnics, and parties of every theme and type. We would love to work with you to create the kind of function that shows your personality and entertaining style. We have made lots of friends catering in the last 25 years and would be happy to provide a variety of references. New for 2012 we are introducing our latest baking creation...a cinnamon roll cake! Perfect for weddings, a new twist on a Groom's Cake or delicious at any event. Whatever you're planning, please consider Busy Bee Catering...we love to cater and it shows!
