Columbia Edgewater Country Club

We pride ourselves in our high level of service and attention to detail, ensuring that your event will go smoothly. Our perfectly manicured grounds provide a breathtaking backdrop for photographs. Our ballroom includes a dance floor, brass bar and plenty of windows that look out over our championship golf course and grounds. The attached patio offers a breath of fresh air on summer days, and our front lawn is available for outdoor ceremonies. Our various banquet spaces can accommodate small groups or large groups of up to 300.

Columbia Edgewater is located near the Columbia River on Marine Drive in the city of Portland, offering easy access from both downtown Portland and SW Washington via I-5 and I-205, as well as the Portland Airport. Several hotels are in close proximity to the Club and are available for your wedding room block.
