Food, drinks, service and decor all come together in style. We are adept at providing intuitive and flexible service to ensure that your big day runs smoothly and beautifully. From Eight seasons of satisfied customers we constantly hear praises such as, "the best food we have ever had at a wedding", "Inventive, creative and delicious", "tastefully presented, not stuffy or fluffy", "A little Southern Hospitality makes all the difference at a Pacific Northwest wedding." Even Tori Spelling felt compelled to tweet: "Best food at a wedding, hands down!"
