Host your next event at the **Evergreen Aviation & Space Museum!** Whether you are planning a small intimate wedding or an extravagant event, Evergreen is the place to visit. We have a variety of venues available, making it easy to find the perfect location for your special day.

The Evergreen Aviation & Space Museum's rental capacity is one of the largest in Oregon. Each building boasts over 121,000 square feet, featuring over 150 historic air and space craft and exhibits, and twelve galleries tracking mankind's journey into space.

These two expansive and elegant steel and glass facilities, with floor-to-ceiling windows, can each accommodate from 10 people up to 3,000 people for standing events and up to 1,500 people when seating is required.

Outdoor venues are also available, with our beautiful Oak Grove which has a capacity of 3,000 people. The West Patio, nestled into the side of the Aviation Museum, provides a gorgeous view of both the Oak Grove and the Evergreen Vineyard. Guests have easy access to all exhibits and aircraft in the Aviation via doors leading directly into the West Gallery.

Let us help you make your wedding one to remember!
