Stunning River Views

The Foundry at Oswego Pointe is the area's newest special event venue, opening its doors in January 2011. Located steps from downtown Lake Oswego yet surrounded by nature, this private riverfront site provides an elegant and unique setting for your wedding.

Perfect Wedding Any Time of Year

Featuring timeless architecture and dramatic vaulted ceilings, garden patios, riverside hardwood decks and unobstructed views of the Willamette River, The Foundry offers a variety of options for a spectacular event any time of year.

Romantic

The photo opportunities are endless! The Foundry enjoys easy access to Lake Oswego's Riverfront Amphitheater and Foothills Park, where your guests can stroll the paved pathways to view sculptures and reflecting ponds along the river.

Completely Renovated with a Rich History

The Foundry sits on the original site of the historic Oregon Iron and Steel Company. The building was completely renovated in 2010 using many green materials and practices.

From intimate gatherings to grand receptions, The Foundry at Oswego Pointe will provide you and your guests with a memorable wedding day experience. Please call to arrange a tour of our property or visit our website for more information and photos.
