At As Good As It Gets Catering, our business is catering to your needs. Every bride deserves a picture perfect wedding, so let us handle the details and you just enjoy your day! We have bartenders and buffet servers on staff and can accommodate any size of event.

As a custom caterer, we know that a wedding is about your unique tastes and theme. Our Event Coordinator will help you plan your event with your budget in mind. Need hors d'oeuvres for 400? Our selections range from casual to formal passed appetizers. Need special diet consideration? We have vegetarian and gluten-free menus. Package pricing is available to include menu, rental items, delivery, and service

Our delivery area for events includes the entire Portland-Vancouver Metro area and suburbs. We look forward to working with you to make your event unforgettable!

"Beth and I wish to thank all of your wonderful staff for an excellent job at our wedding reception. Their timing was impeccable, they were extremely professional and friendly and lastly, the food was amazing. Please thank all of your kitchen staff, banquet servers, banquet captains and yourself for a job well done. I am very happy to have chosen As Good As It Gets Catering for our special night."
