Hood, the Columbia River Gorge and the Hood River Valley. New traditional winery building with intimate inside settings and a custom rock fireplace. Spectacular views from the indoor and outdoor area, manicured lawns, cobblestone patios, covered porches, pergola, hammocks, horse shoe area, built in dance floor, tables & chairs, indoor/outdoor bars, dedicated catering facilities and elegant bathrooms make Gorge Crest the perfect location for your special day!

"The grounds were immaculate, the dance floor was beautiful, and the views were right from a postcard! Gorge Crest is the most beautiful venue in the Gorge, and we looked at a lot of places. Plus the fact that there is a beautiful outside and inside area in case of inclement weather is so convenient. They have thought of everything, from the parking placement, to the ability for the bride to arrive without being seen. They were so helpful, available and friendly whenever we had questions or concerns. Our guests have told us that it was the most beautiful wedding they had ever attended! Gorge Crest made our dream come true!"
