Introducing The Hostess House: The First Full-Service Wedding Center in the Northwest.

The candle-lit chapel seats 200 guests and looks out onto a beautiful garden with a waterfall. Our reception center is absolutely gorgeous! It has an indoor fountain, oak dance floor, fireplace, lush furnishings and a private landscaped yard with decks and a gazebo.

We offer exquisite catering and bar service. No plastic cups used here. We use long stemmed glassware, linen tablecloths, and silver and crystal serving pieces. Our bridal consultant will assist you with every detail from invitations and flowers to entertainment and catering.

Now you can have the excitement and joy of your perfectly planned wedding with none of the worry, work or frustrations. Let us prepare the exquisite hors d'oeuvres and polish the silver. Let us arrange the flowers and decorate the tables. Let us serve your guests and clean up afterwards. This will let you anticipate, enjoy and remember all the special moments of your wedding day.
