### About Hostess House

The Hostess House is the only facility in the Pacific Northwest that was designed and built especially for weddings. The candle-lit chapel seats 200 guests and looks out onto a beautiful garden setting with a waterfall. Although we primarily provide our chapel as part of our complete wedding and reception packages, we also offer "ceremony-only" packages ranging in price from \$200 to \$650. Ceremony packages include our nondenominational house minister, or your officiant is always welcome. ADA accessible.

**Bravo! Member Since 1990**
