Italian Romance in the Heart of Portland

From the warm and friendly greetings of the doorman to the pampering from our world class wait staff, we strive to make every event perfect. We feel every event tells a story...Let Pazzo and the Hotel Vintage Plaza tell yours.

Newly renovated and spectacular...

We have truly turned the hotel into a jewel in the middle of the city with our new, updated look. With a focus on wine and the Pacific Northwest, the hotel invites your guests to enjoy the view and natural resources the area has to offer. Stay in one of our local winery themed suites and enjoy a complimentary wine reception at night. We are truly one of Portland's most romantic places to stay.

Italian flare with attention to detail...

Whether you are looking to host your reception for 130 people in our Tuscany room overlooking downtown Portland, or having a rehearsal dinner for 64 in our wine cellar. The service and food are beyond compare. All of our catering comes straight from the award winning Pazzo Ristorante kitchen, so in addition to our venue's elegance and romance, the food will never disappoint.
