### About Raven Winery

Twenty minutes south of downtown Portland, King's Raven Winery is located at the gateway to the undiscovered east Willamette Valley viticultural area; halfway between Oregon City and Canby. Our beautiful, three-tier amphitheater is perfect for your most memorable day. Surrounded by our estate vineyard on 35 acres with views from the coastal mountains to the Cascades, you'll find yourself in heaven as you dance the night away.

King's Raven Winery also produces pasture-fed no hormone Black Angus Beef. The farm has been owned and operated by our family since 1942.

### Availability and Terms

Space available any day June through September. Deposit required.

### More Than Just Weddings

King's Raven Winery offers the space for more than just weddings. A few years ago we started a movie night series in the vineyard on a giant, inflatable, outdoor movie screen.
