Le Cookie Monkey is a small independently owned and operated bakery in Portland. Everything we make is fresh to order, strictly from scratch, and never frozen! We love using local ingredients, such as dairy and eggs, and customizing each order with seasonal ingredients! We use local berries during the summer months, and pears, cherries, and apples in the fall. We want to be able to help you create the wedding dessert(s) of your dreams.

Le Cookie Monkey specializes in over a dozen wedding cake flavors, such as apple spice, lemon, red velvet, devil's food, champagne, hummingbird, and so many others! We also create signature mini desserts as well as signature decorated sugar cookie cut-outs. These cookies make great guest favors, as well as the option for a freshly baked late night snack at your reception!

If you have a certain flavor, style or concept in mind, just ask! We want to give you the opportunity to mix and match and be creative on your special day!

Always Handmade...

Always from Scratch...

Always Delicious!
