The Mansion at Bayou Golf Course was built in 1946/48 for Dr. B. White and Family, with the Golf Course opening in 1964. We are located in the famous Willamette Valley Wine Country just outside McMinnville.

Towering trees, vast lawns and beautiful gardens surround the impressive white Southern Style Mansion, sitting on a small bluff overlooking the Golf Course.

Very intimate and charming, it lends itself for small and large events like weddings, receptions, meetings and for special celebrations both indoors or combined with the outdoors.

The "Elegant First Floor", with carved Italian Fireplace and winding staircase leads to the upstairs "Starlight Room" with a fireplace and mantel, a small stage and wine bar. Red oak wood floors invite to celebrate and to dance!

The Gazebo, garden and deck are illuminated for evening celebrations.

We invite you to take a tour.

To make your event most memorable, we work closely with you and are flexible.
