Enjoy Your Special Event in a Beautiful Historic Setting

The grandeur of a gracious 1927 home can be the setting of your memorable event. The McLean House and its 2.4-acre park overlook the Willamette River. The grounds and first floor of the 17-room home have been lovingly restored. Our kitchen is available for your needs or those of your caterer. Dishes, coffee maker, serving pieces and tables are included in the package. White chairs are available for a nominal fee. Wine, champagne and beer are permitted. Changing rooms are available for the wedding party.

Our Grounds

Many of the plantings on the property are from the 1920's. Stroll through the rose garden. The tranquil hillside waterfall and bench provide a place for reflection or a beautiful backdrop for your photos. The grounds are large enough to accommodate your ceremony as well as your reception. We have a separate area suitable for a tent and dance floor.

Availability and Terms

The use of the house and grounds are included in the rental price. Reservations are confirmed upon the receipt in full of the refundable security deposit and the rental and cleaning fees. Please contact our manager for a private tour of the facility and the availability of dates.
