Rich in early Oregon heritage, Cornelius Pass Roadhouse & Imbrie Hall is an unexpected and charming setting for weddings, private parties, receptions and more. Hold your special event in the beautiful Octagonal Barn (one of the few such structures left in the nation) or the venerable Roadhouse itself, an 1866 Italianate home full of original artwork, Victorian-era furnishings and ornate fireplaces. Outdoor meadows with lush flora are ideal weddings and summertime parties, and the mid-1850s-era Granary, one of the oldest structures in the area, is the perfect spot for get-togethers. The property offers on-site parking so that your guests are easily accommodated.
