

MEMORIES OF MUZIC & EVENT COORDINATING

“Making Your Event an Everlasting Memory”

We have worked many different events over the years such as charities, school dances, weddings, birthday parties, Bar/Bat Mitzvahs, fundraisers, anniversary parties etc... you name it we can do it!

We specialize in “Making Your Event an Everlasting Memory” by working closely with you to create a specialized playlist with your musical interests for your event. We Emcee all your announcements, coordinate with all staff members for your event to make your event run smoothly. Provide lighting to enhance your dance floor. We will also teach interactive dances/games at your request to get all your guests involved and on the dance floor.

We offer a wide selection of music from the 1920's to the most current music you hear on the radio. If we do not have a song or songs you are wanting, we will research the song or songs and add them to our music library to complete your specialized playlist. Feel free to visit our website and access our online music database.
