About Meriwether's

Meriwether's Restaurant & Garden (located just 5 minutes from downtown) offers both indoor & outdoor ceremony and/or reception sites. Inside Meriwether's has an elegant, yet comfortable feel. The stone fireplaces, hardwood floors, stained glass and copper accents create a warm & inviting space for year-round wedding events. Outdoors, our all-season covered, heated (and enclosed if needed) patio, garden and gazebo feature fountains, urns & stone paths. Meriwether's gardens are a gorgeous backdrop for your perfect wedding day.

Meriwether's Skyline Farm (a quick 20 minutes from downtown) is an 18-acre oasis on beautiful NW Skyline Boulevard. The ceremony is set in front of a "jaw-dropping" panoramic view and the large grass-covered reception site overlooks Skyline Farm where produce is grown and harvested for the restaurant and events menus.

And about our service! Most all of our wedding events are booked through referrals. Our unique "all-inclusive" wedding packages ensure each and every detail will be handled by Meriwether's. If you are trying to find a memorable and worry-free wedding, Meriwether's and Skyline Farm are the perfect fit.
