"Northwest Wedding Photography did a fantastic job for my wedding. Matt and Jon were very professional but made things fun and laid back at the same time. The photos came out beautifully, and all pictures were up on their website very quickly! I would highly recommend them to anyone wanting professional service, fun personalities, and excellent pictures." - Katie and Brian

"NW Wedding Photography is great! Matt and Jon showed up really early....and they shot some fantastic REAL photos capturing our true emotions through the day. The photos were up on the website while we were still on our honeymoon! We have had so many wonderful comments from guests and family...and we got 1200+ photos to choose from. If you are looking for a photographer that will take the time to get to know you to ensure the real you is captured...NW Wedding Photography is a perfect fit." - Caitlin and Jeff
