### About the Old Laurelhurst Church

Old Laurelhurst Church, located at the center of 32nd and Ankeny in Southeast Portland, is centrally located and conveniently located. The church rose garden and beautiful Laurelhurst Park are favorite sites for wedding photography.

Built in 1923, Old Laurelhurst Church is an outstanding example of Spanish Colonial Revival-style architecture. With an arched entrance, curvilinear gables and domed corner bell towers with round-arched openings, the church features wrought-iron balconet and 11 magnificent cathedral-quality stained glass windows. The live acoustics and warm ambiance provide an intimate feeling complementing the long and stately aisle in the sanctuary, which features the ornate original wooden beams and trim.

An independent Christian church, Old Laurelhurst Church seeks to be of service to the community. The church is available for weddings, receptions, concerts, seminars and community events.
