About The Oregon Garden

The Oregon Garden Resort and Oregon Garden have combined to create one of the premier wedding destinations in the Willamette Valley.

The Oregon Garden Resort features 103 guest rooms, cocktail lounge, restaurant, and full-service day spa that is the perfect place to get ready with your party! We have indoor and outdoor venues for both ceremony and reception, and three indoor banquet rooms ideal for rehearsal dinners or farewell brunches.

Directly adjacent to the Resort, the Oregon Garden is a year-round, 80-acre botanical display garden showcasing water features, garden art, and thousands of plants in more than 20 specialty gardens. These elements provide a beautiful setting for your wedding, and an incredible variety of backgrounds for wedding photos. Indoor and outdoor venues are available to accommodate anywhere from 50 to 500 guests any time of year.

Packages and a la carte pricing available. Our properties work seamlessly together to provide a full service experience.
