The Oregon Golf Club

Portland's #1 Ranked Private Country Club

Located atop Pete's Mountain Road in West Linn, 5 minutes from I-205, and only 20 minutes from Downtown Portland, you'll find a private country club with breathtaking views and a tranquil setting... Perfect for your special day.

Upon entering the private driveway, after passing through the rod iron gates, your guests will enjoy the amazing scenery from "above it all", which includes vineyards, trees and an incredible view of Mt. Hood, showcasing Oregon's true beauty. While guests make their way through the professionally manicured grounds, they will find themselves in the award-winning Rose Garden where your wedding dreams will come true. After two become one, guests will enjoy butler style served hors d' oeuvres and cocktails on the garden patio that sits above the golf course offering view of the Willamette Valley. When the time has come for dinner service to begin, guests will make their way into the Rose Pavilion. Upon entering the Ballroom, guests will go from impressed to amazed by the beveled chifon draped 23 foot ceilings, custom made chandeliers and a full wall of windows overlooking the Rose Garden. With specially trained staff and a distinguished Chef, your guests will leave with a lasting impression that will be talked about for years to come.
