

**Every event is special...
Let Pazzo make your spectacular**

Located inside the Historic Hotel Vintage Plaza, The Pazzo wine cellar is truly a jewel in the heart of the city. One of the last remaining original pieces of the Imperial Hotel built in 1894, your guests will be wowed by the history and atmosphere.

Situated on the lower level of the hotel, the wine cellar offers a unique, intimate and romantic atmosphere to host your wedding rehearsal or Post wedding brunch. The wine cellar boasts wine themed décor and lots of candlelight. The wine cellar can accommodate most any group size from an intimate 20 person dinner at one long, family style table to a large dinner for 64 guests.

If you are in need of a larger event space, the Tuscany room might be the perfect spot for you! Located on the second level of the Hotel Vintage plaza with windows overlooking downtown Portland, it might be the answer. This venue space can accommodate up to 150 people for a sit down dinner or 200 for a cocktail reception.

Looking for something even more intimate? Then try our Pazzoria. This space is situated right off the main dining room of Pazzo. Open during the day as a charming Italian themed café, it is transformed at night into a fun, eclectic private dining space.
