"We are blown away by the beauty of our wedding photos. Thank you for your professionalism, care, and what can only be described as total heart and soul as an artist." — Miles & Wendy Histan

"I do not know how you did it, but you seemed to disappear...Your seeming invisibility meant that I am not camera conscious in any candid shot. I look natural and like I was having the time of my life... because I was!" — Cira & Patrick Collins
