

Your wedding, just the way you want it.

Rev. Rob found his calling in 1999 when he performed his first wedding ceremony. Since that day he has married couples where ever and how ever they wanted to be married. From the tops on mountains to the sands on the beach he has been blessed with helping couples find the words they want expressed for their wedding day. He takes his job very seriously in crafting ceremonies to reflect what the couple want said. To that end he respects your thoughts, beliefs and love.

"Rob was truly a professional and a delight to work with. We received a tailored, customized ceremony that fit us perfectly incorporating traditional aspects, The Princess Bride movie quotes, biblical references and old Celtic traditions. Rev Figley was on time for all appointments and took care of all of the marriage license paperwork after signing. I HIGHLY recommend his services." – Amy & Ryan
