

Located in Gleneden Beach, a small community on the Oregon Coast nestled between Lincoln City and Newport, Salishan Spa & Golf Resort has hosted upscale yet intimate weddings for nearly three generations. Salishan is at the epicenter of Oregon's finest wineries, breathtaking beaches, and unique coastal charm. We graciously accommodate groups of any size with our catering and five on-site dining establishments, year-round oceanfront golf, and a luxury spa.

You'll quickly see what sets us apart: pastoral accents on natural-stone walls, tree-branch arrangements flanking gas fireplaces, intricate woodwork, antler chandeliers, and inviting leather furniture... Salishan incorporates its rustic surroundings into an aesthetic that is entirely unique from today's minimalist urban design. Come explore – and enjoy – everything our 250 acre property has to offer.

Our team at Salishan Spa & Golf Resort has been creating memorable wedding experiences for almost 50 years. We will leave a lasting impression for your rehearsal dinner, wedding ceremony, and/or reception. We also offer custom packages designed specifically for your wedding.
