About Sophisticated Floral Designs & Accessories

Sophisticated Floral Designs & Accessories is a studio based {boutique style} florist. We specialize exclusively in flowers for Weddings and Events, as well as custom handmade Accessories.

We take the time to get to know you and your style while, working with your budget to create the wedding you have always wanted. Starting from your initial consultation and on to the delivery of your flowers on the day of your wedding, you will be working with one person throughout the whole creative process.

Our Flowers will add to the ambiance of your special day, no matter how simple or elaborate your vision may be. Our ultimate passion is to discover your vision and translate it into unique, beautiful and memorable designs.

When choosing to work with Sophisticated Floral Designs & Accessories you will benefit from our flexibility, creativity, personal service and impeccable attention to detail. You can relax and enjoy the most important day of your life and let us worry about the details.
