Southwest Family Physicians is celebrating our 20th anniversary! We are proud to offer our Medi Spa services to tend to all of your skincare needs. Our combination of knowledgeable aestheticians and physician staff provide a variety of services that are safe, affordable and effective.

We offer the most advanced laser and anti-aging treatments to correct existing skin damage and to prevent any further harm to your complexion. We treat brown and red spots, wrinkles, acne, rosacea and unwanted hair. Commonly treated areas include: lip, chin, underarms, bikini and legs. With Medi Spa treatments, you can look your very best on your wedding day!

Our board certified provider Dr. Michele Adamcak, DO is also a certified injector for both Botox and Dermal Fillers. Kara Wilcox, PA-C is a board certified Physician Assistant. Together, Adamcak and Wilcox have more than 35 years of combined experience; they are passionate about their aesthetic medicine! Call today for your free consultation or Botox appointment.
