

Catering to the Senses

Vibrant Table provides the perfect marriage of food, artistry and panache – creating an experience that captures your guests' imagination the moment they walk through the door.

Cuisine

We are inspired by our great love of food and widely diverse culinary traditions. Our extensive menus feature an assortment of food styles and options. No matter your cuisine of choice, we will provide a menu that reflects your tastes.

Floral & Décor

Our floral and décor experts are artists. Masters of illusion, they use living sculptures, light, color and texture to transform any venue into something unique and fresh. Our wedding flowers have been featured in *Portland Bride & Groom*, *Oregon Bride Magazine*, *Style Me Pretty*, and *Weddings Portland Style*.

Venue

Our dynamic services have earned us an exclusive or preferred spot at dozens of vibrant venues, including The Portland Art Museum, Zenith Vineyard, Treasury Ballroom, Portland Center Stage, Lan Su Chinese Garden, World Forestry Center, and Pure Space.
