Video with Vibe

“Vibe” (noun): A distinctive emotional atmosphere or feeling; style sensed intuitively.

With our unique approach to wedding video production, we put an emphasis on capturing the details. From traditional or modern, to rock & roll or romantic, we capture the vibe and moments that are perfectly **YOU**.

“Besides my husband, choosing Video Media was the best wedding decision I made.” – Lisa & Eric

“I love your work and think it is way beyond wedding stuff - you’ve changed my mind about cheesy wedding videos.” – Pasy & Rolan

“Our wedding was captured perfectly through Dan’s vision, talent and expert staff.” – Shannon & Duncan
