Portland's Only Private Suite Karaoke

Voicebox isn't just Portland's premier karaoke lounge – it's a catalyst. No other venue compares as a place to gather friends, family, or colleagues for an unforgettable night of singing, dancing, unique saké cocktails and incredible service.

Our six private suites are perfect for all kinds of events, from a small gathering of friends to a full facility rental. We do whatever it takes to make your party a wild success, because we go beyond good – we truly care about every person and aspect of your night. Let us handle the details while you take the credit.

Gathering with friends in a private suite is about more than just a better karaoke experience. It's about the transformative power of group song. Voicebox parties peak at the moment when you learn something new about an old friend or even about yourself. Every night our guests form new stories they'll tell for years.

"You don't really know someone until you've heard them sing." – Cody M., Portland

"Voicebox is the best karaoke spot I've been to, hands down. Legendary!" – Patricia S., NY, NY
