

About West Coast Drape

West Coast Drape - the West Coast's premiere, full-service pipe and drape rental company. We inspire mood and emotion by creating experiences through something as simple as fabric. Our team handles events from planning to breakdown and we do it seamlessly in and around the other elements of event preparation.

West Coast Drape is dedicated to providing top-quality pipe and drape for any size wedding or event - any time of day or night. We offer drape in a variety of colors to personalize each event, transforming nearly any space into one that is spectacular. We also offer sheer white drape, popular for covering columns, layering over other drape, or combined with lighting to achieve any color.

When it comes to planning the perfect wedding, the magic is in the details. The drapes should be your last thought - because they are always our first concern. Let us transform your wedding venue into something unforgettable.

For your convenience, a quoted price includes full installation regardless of the challenges and schedule. Please contact us today for more information and a free consultation.
