

# WEST END BALLROOM

The West End Ballroom is one of Portland's newest wedding, reception and event facility. This historic downtown theater sits a few blocks off Broadway, near all downtown hotels, Pioneer Square, the Max and bus lines and all downtown destinations!

Your event rental includes full use of BOTH ballrooms (no flip), tables, Chivari chairs, an extensive selection of lighting and up lights, and audio systems!

The Upper Ballroom is decked out with high ceilings, hardwood floors and a very elegant design. The space includes a bridal suite, grooms prep room, built in lounge/bar, double banister staircase, and even two outside patios!
