Simply Elegant, Simply Scrumptious!

White Rose Bakery is a boutique bakery located in the heart of farm country and serving the Portland Metro area. We believe that the best days are wedding days! We specialize in artisan wedding cakes tailored to the personality and style of each couple. Whether you are looking to incorporate aspects of your dress, your invitations, or honor your cultural or ethnic traditions, our designer will assist you in coming up with the perfect cake. We offer personalized service, working with your venue, coordinator, florist and photographer to create a seamless, effortless event.

All our cakes, fillings and finishes are prepared from scratch using the finest local ingredients including cream, eggs, butter and fresh fruit from the beautiful Willamette Valley. Our chocolate is imported from Belgium and our liqueurs are all top shelf.

Your cake will be delivered by the same decorator who created it, ensuring that it arrives perfectly and is displayed beautifully.

Call or email today and together we will design a cake as beautiful as the day for which it was created.
