### About Windrose Conference & Meeting Center

Located just 25 miles from Portland or Salem in the heart of Oregon wine country, Windrose has gorgeous facilities and would be a perfect setting for your smaller and more intimate wedding. It has a European flair with a touch of wine country flavor.

Outside boasts a large brick courtyard surrounded by flowers that can seat 70 people and is perfect for weddings, receptions, wine and hors d'oeuvre functions. The smaller courtyard has a water fountain and can be used as the bar area or for socializing. The back lawn area overlooks the canyon and creek and the ceremony site has an arbor on Italian stamped concrete. Inside has the feel of an old English library, with 2 fireplaces, kitchenette, reception area, and meeting space for up to 50 people. We have an exclusive use policy, which means we cater to only one group at a time and you have use of the entire facility and grounds.

Windrose is available for weddings any day of the week and bookings are confirmed with a deposit and signed agreement. Ample free parking is provided. Tours are encouraged so you can see all that Windrose has to offer.

Bravo! Member Since 2005
